Guests: Cam Hadfield (Bouchie Lake Community Association)

1. Call to Order: 7:15 pm

2. New Business:

Discussion to amend Policy #2017-003.7. Currently the policy has a 48 hour rental package which means that our current renter, Quesnel Bible Fellowship, would have to move their service upstairs if a 48 hour rental was booked. Their membership is getting too large to do that now. Wendy proposed that we delete the 48 hour rental and add a 36 hour rental which would include our janitor coming in and cleaning before the following days event.

MOTION: George Wiedeman moved that the 48 hour package be modified to a 36 hour package moving forward and the new package would include cleaning. Dixie Carlson 2nd, AIF

Next BLRC Meeting: January 25, 2023 – 6:00 pm
