Bouchie Lake and Milburn Lake Residents

February 7, 2022

The Bouchie Lake Recreation Commission is pleased to announce that the major upgrade to our rink is almost done – just a bit of cement work left for this summer.

We would like to invite you to attend our official opening on February 19, 2022 from 10:30 – 3:00 (providing the weather co-operates). Ribbon cutting at 11:00 am.

We have invited the Bouchie Lake Helping Hands Food Program for Seniors to prepare hot dogs and hot chocolate. This will be available by donation to the program which currently provides a monthly hamper to 10 families (16 people in total).

We have also invited the Family Fun Group to set up a bottle drive in the parking lot. All proceeds from this will go to the Terry Fox cancer campaign.

All current Provincial Health guidelines to be followed.

Hoping to see you there,

BOUCHIE LAKE RECREATION COMMISSION

Elaine Ross
Acting secretary
